**CALL TO ORDER, INVOCATION AND PLEDGE OF ALLEGIANCE**

**NEW BUSINESS**

(1) **Resolution** County Attorney Hubert Reeves recommended the Board approve the Draft-Screven CC/SB Proposal map done by the reapportionment office. Commissioner Willis voiced concerns about the direction of the new district lines and the fact that there would not be as many predominately minority districts. Brian Knight from the Legislative and Congressional Reapportionment Office spoke via phone and stated that there was a decline of minority population in the county and that he would make time to work with the Board if they wanted to explore moving the lines in different areas. Commissioner Lovett stated he would like to see three (3) predominately minority districts but doesn't know how that is possible if the population changed. Registrar Dorothy Glisson stated that population does not necessarily mean voters because not all of the individuals counted are registered to vote. Commissioner Triplett made a motion to approve the

maps as is and adopt the Resolution approving the redistricting plan for Screven County. Commissioner Dixon seconded motion. Commissioner Triplett, Commissioner Dixon, Commissioner Romeo, Commissioner Boyd and Commissioner Warren voted in favor. Commissioner Willis opposed. Commissioner Lovett abstained.
